Hello Jessica— below is an updated list of Ukrainian contacts who are willing to do interviews with U.S. media to discuss the ongoing war in Ukraine and latest developments.

Updated list includes five Members of Ukraine parliament, former Minister of Infrastructure who joined defense in Kyiv, Lviv mayor, nuclear expert in touch with workers at nuclear facilities/concerns, founder of major news outlet in Kyiv and two individuals dealing with distribution of medical supplies/care for wounded. Mark Savchuk, coordinator of this Ukrainian Volunteer Journalist Initiative (UVJI), who is living in a bomb shelter in Kyiv, is also available for interviews.

If you are interested in interviewing one of the individuals below just let me know and I will ping them to give them a heads up and/or help coordinate. Best regards, Eric (301) 943-9923.
